Mora Silver

Human Jedi youngling

Raised on space stations, Mora is a trained pilot and spacer. When she joined the Jedi academy, her teachers found she had a natural talent for Force powers. Mora is already on the way to becoming a skilled healer, but she never forgets her roots, and flies whenever she gets the chance.

Jedi Code

Jedi are the guardians of peace in the galaxy.

Jedi use their powers to defend and protect, never to attack others.

Jedi respect all life, in any form.

Jedi serve others, rather than rule over them, for the good of the galaxy.

Jedi seek to improve themselves through knowledge and training
