## **Theremin Phol**

Duros Jedi youngling

Theremin Phol was born in the hard underbelly of Coruscant. She learned early on how to be quiet and how to get in and out of places without being noticed. She was discovered by a Jedi knight on an undercover operation, and her time at the Jedi Academy is easier than her old life. Theremin's talents still lie in the sneaky though, and the powers she's learned reflect that.

### Jedi Code

Jedi are the guardians of peace in the galaxy.

Jedi use their powers to defend and protect, never to attack others.

Jedi respect all life, in any form.

Jedi serve others, rather than rule over them, for the good of the galaxy.

Jedi seek to improve themselves through knowledge and training
